DANIEL D. BILLINGS   AGE: 38
Contract Manager

As an alumnus of Fullerton College, I believe in the mission of the North Orange County Community College District and have realized, first-hand, the opportunities a community college education can provide. After my time at Fullerton College, I earned a degree in finance from Whittier College, a project management certificate from UC Irvine and a master's degree in organizational leadership from Azusa Pacific University. These achievements would not have been possible without California's community college system.

As the spouse of a local high school science teacher, I know the value of a dedicated faculty and a modern curriculum. As a contract manager for Southern California Edison, I understand the importance of effective contract and vendor management. As a leader in the private sector, working over the years for two of the largest employers in the region, I know how necessary higher education is to establishing solid, stable employment.

The NOCCCD board members unanimously appointed me because they believe I can contribute to the district's success. My personal and professional experience and my desire to see students flourish will motivate me to ensure all opportunities are available for future generations.

I am asking for your vote.

STEVE HWANGBO
Orange County Businessman/Councilmember

Families and community leaders across Buena Park, La Palma, Cypress, and Anaheim asked me to run for trustee because they know I'm an experienced and proven leader, veteran advocate of public education, common sense policymaker, and innovative thinker. They know I'm not afraid to do the right thing in all circumstances.
It's a challenging but exciting time for community college and continuing education. I'll fight for responsible fiscal management and innovative policymaking to equip students of all ages to be globally competitive and successful.
I attended community college, earned engineering degree at UCLA, and studied business administration and public policy at USC. My experience includes:
  Mayor
  City Councilmember
  School District Bond Oversight Committees
  Anaheim Union High School District Foundation Board
  Oxford Academy Foundation President (California's #1 Ranked Public High School)
I earned the "Friend of Education" award from our local school districts.
I'm supported by many leaders and elected officials including State Senators Bob Huff and John Moorlach, and Orange County Supervisors Shawn Nelson and Michelle Steel.
I would be honored to represent you on the North Orange County Community College District Board of Trustees, serving over 61,000 students and 2,500 employees, with an annual operating budget of $195,000,000.
I respectfully ask for your vote.

ALAN "AL" SALEHI   AGE: 37
Trustee, Buena Park Library District

We have amazing college opportunities that must be better advertised. With little cost, a student can enter a UC campus with guaranteed admission through our colleges without an SAT. Unfortunately very few people know this and that is why we must rebrand our community colleges as a symbol of great pride, not an option of last resort.

We need to inspire student success. Too many college students drop out mid-term, leaving empty seats and broken dreams. We can use newer matriculation software and technology to identify areas of improvement and reduce achievement gaps. As your Trustee, I'll focus on improving student retention and transfers while reducing administrative debts and directing funds into the classroom.

For students on a career track, our vocational programs must have more selections and offerings. We need to be proactive instead of reactive when it comes to credentials and certifications.

Locally born and raised, I graduated from Cypress College and UCLA creating an Educational Technology firm in our community. As an elected Buena Park Library District Governing Board Member with proven fiscal responsibility and hands-on experience with students, I'm uniquely positioned to serve future generations and bring accountability to our district.

Vote,
For a Better Tomorrow!
