

**ROWLAND UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**NAME: CARY C. CHEN**

**AGE: 58**

**OCCUPATION:** Educator/Scientist/Businessman

Twenty eight years ago, I chose Rowland Heights to plant my roots and to raise my children.

All my children went to schools in Rowland. In the past two decades, I witnessed the growth of my children, and the growth of the Rowland schools.

The RUSD is currently facing a difficult time with limited budget. To keep our schools safe and healthy, and to continue to provide our children with the best learning environment, we need someone to make sure every dollar is spent for our children and is spent for its highest return. I will be your eyes and ears. I will speak for you. We need qualified and capable teachers, staff, and administrators. To achieve this, we need to use our limited budget wisely and efficiently.

After 28 years of living in Rowland Heights, I have become part of this community. It is time for me to contribute back to the community I love.
