

**ROWLAND UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

NAME: PHILLIP R. ESTRADA

AGE: 41

OCCUPATION: Parent/Retired Deputy Sheriff

Fellow Voter,

I believe school boards should maintain an open and informative dialogue between parents, students, and community members. I will establish a collaborative partnership between our school board and our community. I will hold annual listening tours at our school sites to gather information about what we are succeeding in and what we need to improve on. I will diligently strive to maintain a balanced budget. My training as a Deputy Sheriff will assist in enhancing school safety throughout our district. My goal is to provide an education for our children that will empower them to compete and excel in a global economy and to create a school district that our community will be proud of. Together we will raise the expectations of our children, lower the dropout rate, and prepare them for the endeavors that they choose to take on.
