**OCCUPATION:** Governing Board Member Rowland Unified  
School District

Education and Qualifications: BA, M.Ed., Ph.D. in Education, UCLA; CA Single Subject Secondary and Preliminary Administrative Credentials; Vice President, Governing Board of Trustees, Rowland Unified School District, and Vice President, Los Angeles County School Trustees Association

You have entrusted me during the past eight years with the governance of our community schools by electing me as one of your trustees. In spite of the economic conditions, our schools continue to thrive and prosper. I take great pride in the accomplishments of our excellent school district. Our schools are safe, student achievement continues to improve, our schools repeatedly distinguish themselves locally and nationally, bond dollars are modernizing our facilities, our negotiations with our employees remain positive, and we have managed to accomplish this with significantly less revenue. We remain fiscally solvent in spite of our fiscal challenges.

I remain deeply committed to striving for excellence, and to seeing that all our students graduate. My years of experience on the Rowland School Board, my business expertise, and my education background have served me well in the successful performance of my duties as your trustee. I ask for your continued support by reelecting me to the Rowland Unified Governing Board of Trustees.
