

**ROWLAND UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

NAME: ROBERT F. HIDALGO
OCCUPATION: Educator

AGE: 33

As President of the Rowland Unified School Board, I am proud of the numerous accomplishments that have propelled our district to become a model of innovation and progress in Southern California while still maintaining fiscal solvency.

Over the past four years Rowland successfully passed a bond measure resulting in upgrades to our classrooms, science labs, and athletic facilities. Presently, as Board President, I am promoting the addition of an online virtual charter school so that we may offer more learning options and better prepare more of our students for the challenges of the 21st century. In addition, I was part of a strategic planning team designing a new mission for the Rowland Unified that will ensure quality instruction, innovation, and fiscal accountability.

My leadership, dedication, and service to Rowland students and families are grounded in my experiences as a school trustee, high school teacher, educational leadership graduate student and parent. I have and will continue to engage all stakeholders in providing the best educational opportunities for our students. With your continued support we will make Rowland Unified the best school district in California. I respectfully ask for your vote on November 3, 2009.
