

**BENNY DIAZ  
COUNTY SUPERVISOR, 1ST DISTRICT  
SHORT TERM**

While there are many candidates in this race, I believe that I am the only one who will truly stand up for the rights of immigrants. I have been involved in the community for decades, as the President of our local chapter of LULAC, and in many community-based organizations. I believe that we all should have an equal opportunity to succeed in this country, regardless of where we were born or the language we might speak.

I believe that ensuring a good quality education is the most important priority for all of our communities. I also believe that this is a shared responsibility. Everyone in America deserves the right to succeed and a good education is the first step towards this success.

If elected your Supervisor I will stand up for you and every person in the district, ensuring safe streets and a higher quality of life. I will give my all to this position and would be honored to have your vote.
