

**TOM UMBERG  
COUNTY SUPERVISOR, 1ST DISTRICT  
SHORT TERM**

No candidate has done more for our community than Tom Umberg.

As a Federal Criminal Prosecutor, he had a 100% conviction rate against rapists, white-collar criminals, and those who transported foreigners illegally into our country. As the President's Deputy Drug Czar, he led the nation's fight against foreign drug cartels. As a colonel in the U.S. Army and Reserve for over 28 years, he served our country with distinction.

As the State Assemblyman serving Santa Ana, Garden Grove, and Westminster, Umberg stood up to special interests and fought to get Orange County its fair share of resources for education, transportation, public safety, and health care. California's Police Chiefs made him their "Legislator of the Year."

Umberg has the support of teachers and parents because of his successful effort to restore public education funding. He has the support of Orange County Deputy Sheriffs because of tough new state laws he wrote to fight career criminals.

Umberg has a unique understanding of the issues we care about. After all, this is where he and his wife of 24 years raised their three grown children.

Because of his dedication and unmatched experience, we need Tom Umberg representing us on the Board of Supervisors.
