

**LARRY PHAN
COUNTY SUPERVISOR, 1ST DISTRICT
SHORT TERM**

I have 25 years of experience as a county employee and wish to utilize this background to serve the people of Orange County as their Supervisor.

As a Vietnamese immigrant in this land of opportunity, I have learned that with hard work anything is possible in this country. Upon my arrival to the U.S. in 1975, I was able to find work immediately and have never looked back. My success in assimilating to this country is due to the help and support from this great government of ours. Having worked in a county system for 25 years, I am very familiar with budgets related to education, social services, IHSS and much more. I want to use my experience to serve the people of this county by cutting down on unnecessary expenses, while at the same time focus on providing quality training to county employees so that they may better understand their position to serve Orange County's people. As an involved and active community member I am aware of the critical issues facing our growing county and hope that you will support me by letting me serve you as Orange County's Supervisor.
