

**CARLOS BUSTAMANTE
COUNTY SUPERVISOR, 1ST DISTRICT
SHORT TERM**

Occupation: Santa Ana Councilman

I ask for your vote to bring New Energy, Vision and Leadership to Orange County government.

As a Military Veteran and a former Law Enforcement Officer, I am especially concerned about crime in our communities. We need tough action to make our neighborhoods and parks safe from gangs. With your support, I will make Public Safety Orange County's top priority!

Building a better future for Orange County means setting the highest standards of Integrity. As your County Supervisor, my priorities will include:

Fighting Crime—I'll support tougher measures to combat gangs and I'll work with parents and educators to reduce juvenile crime and promote crime prevention programs.

Fiscal Responsibility—I will oppose higher taxes and support strict accountability with your tax dollars.

Jobs and Education—I will use my experience as a City Councilman and as a founding Director of Santa Ana Business Bank to attract new businesses and promote Job Training Partnerships that will give our youth the employment skills needed to achieve success.

Senior Transportation—I will work to provide greater access to public transportation for seniors.

My long history of community involvement gives me the experience to make a difference for Orange County's future:

Military Service: United States Air Force (1984-1986). Served in the U.S. Space Command. Awarded the Air Force Achievement Medal. Also served in the Air Force National Guard.

Public Safety Leadership: Appointed by the Governor to the California Council on Criminal Justice, and in that capacity I work with California's Attorney General, California Highway Patrol Commissioner and our Sheriff to advocate for and help implement anti-crime initiatives to make our communities safer. Former Investigator with the Marshal's Office and the State of California.

Local Roots: Born and raised in Santa Ana and lived in Orange County entire life, except for Air Force service.
