

**PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**NAME: ERIC PADGET**

**OCCUPATION:** Appointed Governing Board Member,  
Placentia-Yorba Linda Unified School District

As an educator for almost two decades and a parent of three children attending PYLUSD schools, I believe in the value of a quality education. A quality education requires a strong partnership between a fiscally healthy district, parents, teachers, support staff and the community. Working together, teachers and parents can set high expectations for student academic achievement. Schools must promote responsibility, respect, and self-discipline in a safe learning environment. In addition, access to current technology is vital for preparing students to meet tomorrow's challenges whether they choose a college or a career pathway. I will promote policies which support student achievement and academic success.

I received my BA in Geography, California Teaching Credential, and MS in Educational Leadership from California State University, Fullerton. Within the community, I have coached youth soccer for ten years, participated in YMCA parent/child programs, and held leadership positions with both organizations. I was a member of the Measure Y Bond Oversight Committee and member of the Executive Committee for Measure A.

I am proud to be serving on the PYLUSD School Board and to have the support of the local teachers. I respectfully ask for your vote to continue working for our children.
