

**SANTA ANA UNIFIED SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

NAME: ROB RICHARDSON

AGE: 47

OCCUPATION: Governing Board Member, Santa Ana Unified School District

It has been a privilege to serve on the Santa Ana School Board. Together, we have accomplished a great deal for our community's children.

Over the last four years, Segerstrom and Godinez High Schools have opened. The Lorin Grisette Academy is open and Heroes Elementary School will open this fall. Our District has added 391 classrooms and 514 more have been renovated. I look forward to implementing Measure G, removing portables and upgrading all of our schools.

While buildings are important, our District has also made strides academically. Seven of the ten most improved schools in Orange County are in Santa Ana and five more were named California Distinguished Schools.

I am a lifetime Santa Ana resident, a graduate of Santa Ana High School and UCLA. I know first hand what a quality education means. My commitment to community service includes 23 years of membership in the Santa Ana Kiwanis Club, 19 years on the Boys and Girls Club Board, and service on the Santa Ana City Council.

I will continue efforts to increase our graduation rates and assuring English language fluency.

I have earned the support of community leaders including Mayor Miguel Pulido, teachers, and parents. I respectfully ask for your vote on November 4th.
