

JOHN H. ORTEGA

Governing Board Member, Orange Unified School District, Trustee Area 2

As a Boardmember on the Orange Unified School Board I have always fought for our students. I will continue improving the quality of education in our schools and will always aim to make every school better.

Over the last four years some of our district's achievements include:

- The highest number of Gold Ribbon Schools in Orange County.
- Increased test scores in schools.
- Our school district having no debt.
- Strong programs promoting music and the arts.

With my background as a law enforcement officer, I will fight to make sure that our schools are as safe as possible. Protecting our children should be the top priority of our board, and as a husband and father I understand the importance of safe schools.

My goals for the next four years include:

- Improving the quality of education in all of our schools.
- Increasing Science, Technology, Engineering, Art, and Math programs.
- Upgrading facilities at all of our schools.
- Making certain money goes directly to education and not bureaucracy.

It would be my honor to have your support and I ask for the privilege of continuing my service to my community on the OUSD Board.
