

NICOLE BAITX-KENNEDY

Child Care Supervisor

My most important qualification for the Orange Unified School District Trustee Area Six seat is that I have a son attending Linda Vista Elementary School.

I chose to run for School Board because, like you, I want to make sure that OUSD schools prepare our children to be productive community members and participants in the global economy.

Just like they did for my six siblings and me - OUSD graduates all.

My family is committed to public service, my mother retired from OUSD, and through her inspiration, I have worked with children for 30 years, including 21 years serving OUSD's CARES program. Currently I am a child care supervisor for the Ocean View School District.

This experience has prepared me to take on the many challenges that OUSD faces. We can do better.

Student achievement must come first. Open communication between parents, teachers and board members is vital to building renewed confidence in OUSD leadership. That's the best way to ensure a 21st Century curriculum and, in these times, safer schools.

I support the OUSD bond measure on the ballot this November. I will make sure that this money is spent wisely and will keep parents informed about repair and safety improvements.
