AN ORDINANCE OF THE PEOPLE OF THE CITY OF WESTMINSTER, ADDING CHAPTER 3.10 TO TITLE 3 (REVENUE AND FINANCE) OF THE WESTMINSTER MUNICIPAL CODE, RELATING TO A TRANSACTIONS AND USE ("SALES") TAX

WHEREAS, due to Sacramento takeaways, the City of Westminster ("City") has lost over \$12 million annually in local tax dollars, and now faces a \$5.3 million budget deficit which will double by 2017;

WHEREAS, the City has depleted its rainy-day fund, will soon be unable to present a balanced budget as required by state law, and is facing Bankruptcy as soon as the 2018 Fiscal Year;

WHEREAS, this ordinance ensures that our city has a guaranteed source of funding for local services that cannot be seized by Sacramento, and requires that our tax dollars remain local and can only be used in Westminster;

WHEREAS, in just the last year there have been more than 42,000 9-1-1 calls in Westminster that have required emergency medical attention. This ordinance will help to maintain firefighters and paramedics, and keep rapid 9-1-1 emergency response times so that people suffering from heart attacks, strokes or other medical emergencies continue to receive the immediate, life-saving care they need; and

WHEREAS, public safety is a top priority in Westminster, comprising 77% of the City's current budget, and without a local funding source the City will be forced to make further significant cuts to public safety services, potentially including gang and drug prevention; neighborhood police patrols; reducing the number of paramedics and firefighters; and consider eliminating the Police Narcotics, Domestic Violence, Sex Crimes, and human trafficking units in the Westminster Police Department; and

WHEREAS, our community has a history of gang problems, and currently there are over 100 active gang members in Westminster.

WHEREAS, the adoption of this revenue measure will prevent further deep cuts to gang and drug prevention programs, and will continue after school programs that keep children and youth off the streets and away from gangs and drugs; and

WHEREAS, we need to do more to stimulate local economic growth and create more well-paying local jobs for residents, and additional funds will help Westminster remain attractive to businesses, visitors and homebuyers by fixing blight and filling vacant storefronts with new businesses, strengthening local property values; and

WHEREAS, this ordinance provides the funds necessary to prevent further cuts to basic programs such as the continued provision of fast 911 emergency, police and fire protection response times, preventing cuts to paramedics, gang prevention officers and firefighters, protecting drinking water supplies, repairing streets and potholes, and providing a good environment for businesses, and helping to financially stabilize the city and prevent bankruptcy; and

WHEREAS, pursuant to California Revenue and Taxation Code Section 7285.9, the City of Westminster has the authority to levy a Transactions and Use Tax for general purposes, subject to approval by a majority vote of the electorate pursuant to Article XIIC, Section 2 of the California Constitution ("Proposition 218")

WHEREAS, the people of the City desire to levy a one percent (1%) Transactions and Use Tax ("Sales Tax") on the sale of all tangible personal property sold at retail in the City;

WHEREAS, the Sales Tax would be a general tax, the revenue of which would be placed in the City's general fund and used to pay for essential City services, including public safety.

WHEREAS, this ordinance includes strict accountability provisions such as independent citizens' oversight, public spending reports and annual independent financial audits to ensure that every cent of our money is used effectively, efficiently, and as promised to voters; and

WHEREAS, the people of the City believe that only a locally approved voter funding source would guarantee that new revenue stays in Westminster to help the City provide essential services to its residents; and

THE PEOPLE OF THE CITY OF WESTMINSTER DO HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Chapter 3.10 (Transactions and Use Tax) is hereby added to Title 3 (Revenue and Finance) of the Westminster Municipal Code as follows:

3.10.005. This ordinance shall be known as the "City of Westminster Transactions (Sales) and Use Tax Ordinance." The City of Westminster hereinafter shall be referred to as "City." This ordinance shall be applicable in the incorporated territory of the City.

3.10.010 Purpose.

This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

- A. To impose a retail transactions and use tax in accordance with the provisions of Part 1. 6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.
- B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

Ballot Measures-SS

- C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the State Board of Equalization in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the State Board of Equalization in administering and collecting the California State Sales and Use Taxes.
- D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

3.10.020 Contract with state.

Prior to the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance ("operative date"), the City shall contract with the State Board of Equalization to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the State Board of Equalization prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

3.10.030 Transactions tax rate.

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of one percent (1%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

3.10.040 Place of sale.

For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

3.10.050 Use tax rate.

An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of one percent (1%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

3.10.060 Adoption of provisions of state law.

Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

3.10.070 Limitation on adoption of state law and collection of use taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

- A. Wherever the State of California is named or referred to as the taxing agency, the name of the City of Westminster shall be substituted therefor. However, the substitution shall not be made when:
 1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Board of Control, State Board of Equalization, State Treasury, or the Constitution of the State of California.
 2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this Ordinance.
 3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:
 - a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;
 - b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.
 4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.
- B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

Impartial Analysis City of Westminster Measure SS

If approved by a majority of voters, this measure would adopt an ordinance imposing a one percent (1%) transactions and use tax in the City of Westminster. This tax would operate for a period of six years.

This transactions and use tax was placed on the ballot by the Westminster City Council on June 22, 2016. The tax would be administered for the City by the State Board of Equalization, which also administers state and local sales and use taxes. Generally, the tax would be applied in the City along with existing state and local sales and use taxes. With respect to sales and leases of vehicles, vessels and aircraft, the transactions and use would apply not based on the point of sale, but on the location where the vehicle, vessel or aircraft will be registered.

All proceeds of the tax would be placed in the City's general fund, except for any administrative expenses of the State Board of Equalization. The funds are available to the City for any lawful municipal purpose.

The measure requires an independent annual financial audit of the revenue generated by this measure and how the revenue is used. The measure also requires an annual community report be created and provided to every Westminster household. This report will detail how much revenue is being generated and how funds are being used. Finally, the measure requires the City Council to appoint an oversight committee that will convene twice a year to review and discuss the use of the revenue generated by this measure.

Collection of the tax would begin on the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance by both the voters and by the City Council.

A "yes" vote is a vote in favor of authorizing the transactions and use tax for a period of six years. A "no" vote is a vote against authorizing the transactions and use tax.

Argument in Favor of Measure SS

Rebuttal to Argument in Favor of Measure SS

VOTE YES ON MEASURE SS!

MEASURE SS will provide locally funding, that cannot be taken by the State, and give Westminster police the resources they need to combat crime, crack down on gangs, drugs homelessness, and keep our families safe.

DID YOU KNOW?

- State money grabs have forced Westminster to cut police funding by millions of dollars, reducing the number of sworn officers in Westminster to the same number as we had in the 1980s.
- There are over 100 active gang members in Westminster.
- There were more than 37,000 emergency 911 calls in Westminster the last year.
- That without Measure SS more cuts will have to be made.

IN AN EMERGENCY SECONDS COUNT

YES on Measure SS will help protect Westminster's 911 emergency and medical response services that protect residents from crime, provide medical assistance, and save lives.

NOTHING HURTS HOME VALUES MORE THAN HIGH CRIME RATES

YES on Measure SS will protect our home values by maintaining neighborhood police patrols and crime prevention programs.

FIGHT GANGS AND DRUGS

YES on Measure SS will prevent devastating cuts to gang and drug prevention programs and continue after school programs that keep children and youth off the streets and away from the dangers of gangs and drugs.

HOLDING THE CITY COUNCIL ACCOUNTABLE

MEASURE SS includes **STRICT ACCOUNTABILITY** and **FISCAL SAFEGUARDS** including independent citizens' oversight, public spending reports and annual independent audits to make sure that every cent of **Measure SS** is used effectively, efficiently and as promised to voters.

ALL MEASURE SS funds are required by law to **REMAIN LOCAL** and can only be used in Westminster.

Measure SS supporters claim that increasing your taxes is needed to provide for public safety. Don't be fooled: **Measure SS is NOT a special tax for public safety.**

Measure SS is a general sales tax that goes directly into the general fund and can be used for anything the city council decides it wants to spend it on.

Salary increases,
Increases to pension benefits,
New Buildings,
Land deals,
Anything.

The city council could have made this a special tax for public safety, **but they did not!**

Why hasn't the city council cut their own salaries, pensions, and benefits before asking the taxpayers to pay more?

Why has the city council continued year after year to **pass budgets that are not balanced?**

The taxpayers of Westminster need to ask themselves if they can trust city hall with more of their hard earned dollars.

Send a clear message, enough is enough.

Argument Against Measure SS

Measure SS will give Westminster one of the highest sales tax rates in Orange County

This tax increase will hit taxpayers in every aspect of our lives:

Buying gasoline
Shopping for clothes or vitamins
Eating out in a restaurant
Buying school or office supplies
Shopping for items for your home

This tax increase will even follow you wherever you buy a car, even if that is not in Westminster.

Westminster businesses will suffer as they lose customers to businesses in other cities,

Don't be mislead, this is a general tax that goes directly into the general fund. It cannot be used for a specific purpose, no matter what you are being told. It can be used for salary increases, increases to pension benefits, anything the city council decides.

Westminster taxpayers already pay a utility tax on telephone use, electricity, gas, water and cable TV.

For years city councils have passed yearly budgets that have not been balanced, yearly pension payments have been increasing by millions of dollars, and the city has been paying to defend themselves in federal lawsuits.

Now the politicians want the taxpayers to step up and pay more, almost 14 million dollars more every year.

Tell City Hall to live within their means and Vote No on Higher Taxes.

Rebuttal to Argument Against Measure SS

Nobody likes taxes, but what's worse is the condition of public safety in our city.

HERE ARE THE FACTS OPPONENTS WANT YOU TO IGNORE.

- ✓ Crime is on the rise in Westminster
- ✓ Home invasions, burglaries, and other property crimes are out of control.
- ✓ Gangs and drugs are taking over our city
- ✓ Homelessness has hit astronomical levels
- ✓ 911 response times have become longer

YES on SS will:

- Prevent cuts to the number of paramedics and firefighters in Westminster
- Put more sworn police officers on the street to patrol our neighborhoods and schools
- Ensure fast 911 emergency and medical response to emergencies
- Increase police gang suppression and prevention

YES on SS protects 911 emergency and medical response services that are essential for fighting crime, providing medical assistance, and saving lives.

YES on SS protects home values by combating crime in our neighborhoods.

YES on SS prevents cuts to gang/drug prevention and after school programs which are critical to keeping youth off the streets and away from gangs and drugs.

Over the past few years the State has taken millions of dollars away from Westminster. Police and 911 services have been cut to the bone and are at 1980s levels.

Measure SS is about protecting our Police and 911 services.

Measure SS provides ACCOUNTABLE LOCAL FUNDS that cannot be taken by the state. **Measure SS** requires INDEPENDENT OVERSIGHT and ANNUAL FINANCIAL AUDITS to monitor funds.
