

OSCAR REYES
Businessman/Coach

Having served as a Substitute Teacher at Carr Intermediate, I know the needs of our students. As a graduate of Saddleback High School and UCLA, I value the importance in having a quality education.

As an entrepreneur and CEO, practicing sound fiscal management is critical during a fiscal crisis which schools are currently facing.

As a professional athlete and former UCLA Soccer Elite Camp Director, teamwork is essential for success. As a mentor, public speaker, life and soccer coach, working with youth is my passion.

Given the pandemic, making sure that our students, families and employees learn and work in a safe environment is a major priority. Our schools need to be safe!

Parent engagement in making education a priority at home, having their voices heard and childcare services are priorities!

Parent choice (fundamental schools, College Now, dual language immersion) while meeting student needs is fundamental to educational excellence. By working together with Santa Ana College, universities, trade schools and businesses, developing partnerships is essential in reducing the cost of a college education while providing students with academic options and opportunities.
