

ART PERRY

Member, Costa Mesa Sanitary District Board of Directors,
Division 4

The Costa Mesa Sanitary District has provided exceptional service during this time of crisis. We have maintained essential services, trash was picked up and crews and their families stayed healthy.

Our rates are among some of the lowest in the county. We saved for repairs, upgrades and earthquake preparedness so your sewer system will never fail you.

Our District is strong. We:

Implemented a curbside organics recycling program, reducing greenhouse gases.

Completed nearly \$6 million on capital projects for the wastewater system.

Awarded for Transparency Excellence, Wastewater Collection System of the Year and Excellence in Community Outreach & Engagement.

I am proud to call Costa Mesa home and represent the Upper & Lower Bird Streets and the West side of Costa Mesa where I grew up on Arbor Street, attended Rea Junior High, graduated from Costa Mesa High and taught at Estancia High School for 40 years. I am a former Director of Costa Mesa United and Co-chairman of the Mesa Verde Classic Charity Golf Tournament. I have also been a long time member of the Costa Mesa – Newport Harbor Lions Club which puts on the annual Fish fry each year. My wife Joan and I raised our two sons Mike and Jeff in Costa Mesa.

I ask for your vote. Follow me on Facebook.
