EVERLENA OLIVER

Retired Educator/Nurse

Mission: To serve my community by investing in the education of our children. To promote, encourage and inspire children to reach their greatest potential.

I was born in Avinger, Texas and moved to Laguna Beach at the age of 3. I attended elementary, intermediate, and high school in Laguna Beach. Attended and graduated from Santa Ana Community College majoring in Business Management and Nursing; AA degree in both areas. Transferred to California State College at Fullerton earning a BSN (nursing) and a Master's in Education. I am a member of Sigma Theta Tau International Honor Society of Nursing. Local 456 Upsilon Beta Chapter.

Married with 6 adult children all attended and graduated from Santa Ana schools. I have been employed as a registered nurse in the area of Oncology, Emergency medicine and Occupational Health. As a nurse I held many leadership roles such as Charge Nurse and running a clinic with 4000 employees under my care.

Recently retired from a Santa Ana High School teaching position in Special Education.

What better way to get a start than to run and possibly win a seat on the Santa Ana Unified School District Board where policy is instituted and decisions are made affecting our students and teachers.
