

**FRANK G. ALANIZ, JR.**  
Banker/Nonprofit Director

Voting for Frank G. Alaniz, Jr. is a vote for RSCCD Area 1 achievement, state-of-the-art curriculum, fiscal transparency and increased parental participation. Growing up in a working class family has instilled a strong work ethic in me. This work ethic was reinforced while serving in Communications for the U.S. Marines.

Education has always been an important concern within my family. My sister, brother in law and wife are educators. Because of this and because I have children that attend schools within SAUSD, I feel we must pay attention to the people who make decisions about education. Leaders must be held accountable for decisions that affect education. Our community deserves better.

Parents, teachers and students must be confident once again that board members will work together – to benefit the community! My experience working at a credit union for school employees where I practice financial responsibility will ensure that the disposition of allocated funds to RSCCD will be utilized responsibly.

I assure you that I have the competence, motivation, commitment, and enthusiasm to succeed within RSCCD. You can count on me to protect your investment. That is why I am counting on your vote and support for this November 2016 ballot.
