

THOMAS ANTHONY GORDON

Public School Inspector

Santa Ana is my hometown, and I'm a proud product of Santa Ana public schools. Education is the key to success in life, and that's why I work as a public school inspector.

It would be my honor to have your support and I ask for the privilege of continuing my service to my community as a member of the Rancho Santiago Community College District Board.

As a public school inspector, I will fight to make sure that our colleges are as safe as possible. Protecting students should be the top priority of our board.

As your Rancho Santiago Community College District Trustee, I will:

- Reduce wasteful spending to ensure money goes directly to classrooms to benefit our students - not overseas

- Oppose racism and hate and stand up against those in the district who are intolerant

- Fight against all attempts of public money being spent to fund excessive travel for board members

- Oppose any new state tuition fee increases

- Serve our students and community not the special interest groups and politicians

My singular focus is to improve the quality of education at Santa Ana College for betterment of students and their future.

Please join my supporters and vote Thomas Anthony Gordon for Rancho Santiago Community College District Governing Board Member.
