

PATRICK TUCKER

AGE: 52

Retail Executive

I am a 23 year resident of Fountain Valley. Bonnie Hersh Tucker, my wife of 26 years, and I have raised our 2 children here. Fountain Valley is a unique city, enjoying it's own identity as a quiet bedroom community. Fountain Valley is our home.

Our City has excellent schools, wonderful parks, a vibrant Senior Center and a fantastic Community Foundation. We want to keep and enhance all of these amenities.

Why vote for Patrick Tucker?

I oppose the six story tall, high density housing building, proposed at the FV Crossings Project. I oppose the blight of the massive electronic message board that is proposed near the water tower. We must eliminate the Paramedic Fee, unfair to our Senior Citizens. All City contracts must be sent out for competitive bid. We must balance the City Budget by eliminating wasteful spending, not by raising taxes.

We cannot make the same mistakes our neighboring cities have made. My desire is to keep Fountain Valley A Nice Place to Live

I have the desire to serve our citizens, with dignity and integrity. I will be honored to receive your vote.
