Educator/Parent

My wife Camille and I have lived in Santa Ana for over three decades and have raised four children who have graduated from Santa Ana schools.

As a parent, I understand that in order for students to succeed they must have safe schools and access to afterschool programs including tutoring, sports and the arts. I am committed to engaging parents at the schools and to parental choice in selecting the best schools for their children.

We don't need to raise property taxes again in order to fix our schools and increase academic achievement. I commit to be a good steward of the school district's approximately \$800 million annual budget.

I have fifteen-years experience teaching at Cerritos College and an MBA and I serve on the Orange County Emergency Medical Care Committee.

Together we will ensure parents have a voice, all students are prepared for college or the workforce and the taxpayers will be protected.

I am at your service. If you have questions or suggestions, please, call me at 714-606-7622 or email me at [artpedroza@gmail.com](mailto:artpedroza@gmail.com) any time or visit [www.pedroza4sausd.com](http://www.pedroza4sausd.com). It would be my honor to work with the great families in Santa Ana to make our schools even better.
