

**TONY RACKAUCKAS****Orange County District Attorney**

As a U.S. Army 101st Paratrooper, Superior Court Judge, Homicide Prosecutor and your elected District Attorney, I've dedicated my career to public safety. Orange County is one of the safest large counties in America. My office prosecutes over 60,000 cases per year with a felony conviction rate of over 90%. We prosecute violent gang members who destroy neighborhoods, human traffickers who exploit women and children, giant pharmaceutical corporations to stop deceptive opioid marketing, fraudulent sober living home operators, environmental polluters, and homeless crimes.

I formed the Orange County Gang Reduction Intervention Partnership to lead children away from gangs and the Human Exploitation And Trafficking Unit to end modern day slavery. Under my leadership, gang membership was cut in half in Orange County, and OCDA is the only prosecutor's office in the nation to develop its own DNA database to solve crimes.

Both the Prosecutors who represent the people and the Public Defenders who represent the accused endorse me because they know my commitment to justice for all. Sheriff Sandra Hutchens, Association of Orange County Deputy Sheriffs, Crime Victims, Marsy's Law Founder Dr. Henry Nicholas, and bipartisan law makers all support me. They know the District Attorney's Office is no place for political grandstanding. Please Visit [www.OCDistrictAttorney.com](http://www.OCDistrictAttorney.com).
