Orange County Supervisor/Attorney

Orange County is not safe. Felons early-released. Reckless "Sober" living "homes". Vagrancy everywhere!

Per the California Attorney General, crime is up:

Rape (25%); Robbery (29%); Murder (8%); Assault (17%); Burglary (8%); Auto-theft (37%). Orange County has the highest stolen property rate in Southern California!

Voters trust me—Orange County Supervisor; California State Legislator; School Board Trustee; Reserve Police Officer; High School Teacher.

As Deputy District Attorney, I've prosecuted thousands of felonies: Hardcore-gangs, sex-offenders, human-trafficking, drunk drivers who kill, animal cruelty. Prosecutors voted me "Outstanding Prosecutor". I've chaired 122 trials (92% conviction). As Assistant District Attorney, I've managed line prosecutors.

I will end prosecutor malpractice like the "snitch scandal" in the Seal Beach massacre and "not guilty" verdicts of the homeless man beaten to death in Fullerton. Victims must get justice.

I'll invest in early intervention, job training and address mental illness and addiction to stop repeat offenders. I opened Orange County's first homeless shelter. I co-wrote landmark laws: Megan's Law (sex offender's residences on-line) and Marsy's Law (victims' rights). I secured millions to train students and teachers against Active Shooters.

I'm refusing politician's endorsements—I will be beholden to no one except the public. Respected endorsements: Orange County Professional Firefighters Association, Crime Victims United of California, Police Chiefs and Prosecutors.

To reverse Orange County's horrific crime rates, we must elect a new, energetic and deeply experienced District Attorney.
