

DUKE NGUYEN

Detective/Senior Investigator

I am running for Orange County Sheriff to ensure that the department is equitably and effectively serving all of Orange County's residents.

My 26-year career in law enforcement began with the Santa Ana Police Department and continued with the Los Angeles County Sheriff's Department. I currently serve as a detective for the Los Angeles County District Attorney's Justice System Integrity Division. In this role, I lead investigations into government corruption, the misuse of public funds, bribery, and money laundering.

As Sheriff, I can be counted on to institute commonsense reforms focused on:

Increasing transparency in the department and responsibly managing our tax dollars.

Expanding the use of technology and community policing to better serve our neighborhoods.

Prioritizing funding for the programs that are proven to prevent and reduce crime.

Building new partnerships to help our kids succeed and keep them safe.

My family came to Orange County as refugees to find the American Dream. I understand how special our home is, and as your Sheriff, I will work hard every day to move our department forward and protect our quality of life.

My campaign has been endorsed by local Democratic and Republican leaders because they recognize the need for new leadership and bipartisan reforms. I would be honored to earn your vote.
