

LYNN SCHOTT
Educator/Business Owner

REPUBLICAN
AGE: 54

I was born, raised and educated in the 46th District. More than 65 years ago, my grandparents established our family's roots in this community. Growing up, the 46th District was the jewel of Orange County. With my leadership, I believe that it can be the best again.

I'd like to share with you my vision and principles on important issues affecting our lives:

My father was a barber. I recognize business owners as the backbone of our economy. Government agencies should not become obstacles to hardworking people.

As an educator, I'll offer more to improve education in our community. Students and parents deserve to have high quality education choices to meet graduation requirements.

The young generation in our community need the freedom to work and earn legitimate income. I believe in reducing unreasonable restrictions for young people's employment.

Our parents and grandparents have so much valuable wisdom to share with us. I support programs that encourage seniors to continue learning, creating, and engaging in the community.

I will stand by all residents to protect quality, affordable healthcare, with freedom to choose their own doctors.

Every one of us knows families who are struggling to pay for housing. We must actively encourage construction of affordable rental housing.

I will also encourage affordable mortgage programs, encouraging the community to realize the American Dream of home ownership.

I am proud of my roots in this District. Let's work together to make this community even stronger.
