

LOU CORREA**DEMOCRATIC**

United States Congressman

Congressman Lou Correa has strong ties to our community. He grew up in Anaheim and lives in Santa Ana. He graduated from Anaheim High School, Cal State Fullerton and UCLA.

Lou is an effective lawmaker who gets results and will fight for us by:

Working with small businesses to help them grow so they can create good paying middle class jobs.

Establishing common-sense gun safety laws, such as universal background checks, and prohibiting individuals on the terrorism watch-list from buying guns.

Creating a path to citizenship for undocumented immigrants who have been living and working in our communities.

Investing in our schools to ensure our children are safe and receive the world-class education they deserve.

Fighting to make college affordable and to reduce college debt.

Fighting for our Veterans to assure that we keep our commitment to them.

Strengthening our National Security and working with our N.A.T.O. allies to do so.

In Congress, Lou is recognized as a common-sense Democrat, who works across party-lines to solve problems and get results by putting our communities first.

Congressman Lou Correa has passed laws to reduce fraud, waste and abuse in our Federal government, and to help our Veterans. He has also written laws to expand the use of DNA to convict sexual predators.

That's why Lou Correa is endorsed by:

Orange County Firefighters

Orange County Deputy Sheriffs

California Small Business Association

Superintendent of Public Instruction Tom Torlakson
