My name is David Michael Clifford, I want to serve as your Congressional Representative. I am a young family man with two awesome kids, an amazing school teacher wife and a St. Bernard named Daisy. I grew up and live in our 47th District. Being a small business owner for over ten years I know the value of hard work.

Together, my wife and I decided it was time for me, with your support, to make changes in the way government works. Our legislators need to do what's best for us.

Goals when elected:
- Defeat the Gas Tax and Reduce Taxation
- Enforce all Laws and Protect the People
- Reestablish Local Control of Education and Support Vocational School Training Programs
- Help State and Local Governments Solve Homelessness
- Develop Federal Programs for Affordable Housing
- Balance the Federal Budget and Secure America’s Future.

Current Congressmen have voted for legislation that has moved America in the wrong direction... especially for our families. Therefore, I am stepping forward to provide a better choice for the citizens of our communities. I will protect the future of our children and improve the quality of life for all Americans.

I cannot do this alone. I need your support. I am asking you to get involved in my grassroots’ campaign. Your vote will make a difference and help us win this great challenge.
