

WILLIAM (BILL) BROUGH**REPUBLICAN**

Small Businessman/Assemblyman

We have been through a lot since you sent me to the Capitol – fighting Sacramento to try to keep the San Clemente Hospital ER open, stopping removal of Saint Serra’s statue from the U.S. Capitol, keeping our Orange County Fire Authority from being dismantled impacting 6 of 8 south county cities, drug and opioid addiction, and addressing proliferation of sober living homes throughout our community.

I continue fighting for our community and against misplaced priorities – high taxes; reckless spending; pension liabilities; onerous regulations; strong public schools that prepare our children to compete; and residents and businesses leaving the state to raise their families and achieve their dreams.

As Vice Chairman of the Assembly Revenue & Taxation Committee, I received a 100% score from the California Taxpayers Association, an A rating from the Howard Jarvis Taxpayers Association, and “Best Business Vote” by the California Chamber of Commerce. I was also honored to be named 2017 Orange County Legislator of the Year.

A few of my bills signed into law will accelerate pension reform for the City of San Juan Capistrano, achieve Mello Roos taxpayer transparency, change the way California computes business interest, and strengthen the Taxpayer Advocate at Board of Equalization.

This year, my legislative work includes a gas tax repeal, getting my San Onofre nuclear waste bill through the senate, new sober living and homeless solutions, opioid and drug abuse, and transportation solutions that do not disrupt existing communities.

I respectfully ask for your vote to continue our work.
