

**COTTIE PETRIE-NORRIS**

Small Business Owner

**DEMOCRATIC****AGE: 42**

I'm Cottie Petrie-Norris – a business owner, community leader, mom and lifelong Democrat. I am running for State Assembly because I believe Orange County can do better.

I am proud to be endorsed by the California Democratic Party; and by Orange County Democratic leaders including Senator Josh Newman, Costa Mesa Councilmember Katrina Foley, Irvine Mayor Beth Krom (retired) and Orange County Democratic Party Chair Fran Sdao.

Coastal Orange County residents deserve an Assemblymember who shares our values, who will get things done for our neighborhoods and who will bring our tax dollars back to Orange County. A representative who will fight to protect our coastline, fund public schools, grow the economy and trust women with the freedom to decide what happens to their own bodies.

Growing up in a blue-collar family, I learned the value of hard work at an early age. I went on to Yale University where I majored in English and Economics. I have enjoyed a 20-year career in finance and marketing where I have built businesses and led teams at Fortune 500 corporations, small companies and start-ups. I serve on the Laguna Beach City Housing and Human Services Committee and I am an Assembly District Delegate for the California Democratic Party.

In the Assembly, I will work hard everyday to represent our families, pass relevant legislation for our communities and help move California forward. I look forward to serving you in the Assembly and I would be honored to earn your vote.
