

## **ROSE ESPINOZA**

Councilmember

I'm a lifelong resident of North Orange County and lived in a migrant camp in La Habra known as the "Red Camp." Attended K-12 public schools and presently an undergraduate at CSUF.

When local students were struggling in school because they couldn't get help at home, I opened my garage to neighborhood kids for tutoring. Since 1991, Rosie's Garage has offered after-school learning, growth, mentoring and received the National Caring Award and the Points of Lights Presidential Service Award from President Clinton.

I've been a councilmember for 17 years and Mayor 4 times. I serve on NWOC promoting housing opportunities, Advance! addressing access and assistance to college, St. Jude Community Benefit Committee addressing the health and quality of life needs of local communities, SCAG, OCCOG, League of California Cities 4th District Representative, and represent Orange County on the San Gabriel and Lower Los Angeles River and Mountain Conservancy.

My goal is to bring a community-minded voice in addressing homelessness, affordable housing, healthcare, and other issues. I will dedicate the same community-minded energy to the 4th District as I have done on the La Habra City Council and Rosie's Garage.

It is time for change; please join me in making that change.
