

LUCILLE KRING

Anaheim Councilwoman/Businesswoman

As Councilwoman for fourteen years and former Mayor Pro Tem, I have governed with honesty, integrity, accountability, transparency.

My philosophy: Spend taxpayer dollars wisely, keep neighborhoods safe, find balanced solutions to our worsening traffic, support business growth to create more jobs, preserve our quality of life.

Proposition 13 is under attack. I'm committed to protecting it.

Sacramento's leaders have released criminals early from prison, reduced sentencing for serious crimes, relaxed parole for certain criminals. This is a recipe for disaster creating significant increases in crime, drugs, and homelessness.

As Orange County Supervisor, I will work tirelessly to fight these dangerous laws and ensure we have stringent policies at the local level to protect you and your families. I will promote a strong partnership between law enforcement and education leaders ensuring vigilant protection of our school children.

Whether eliminating gangs in parks, adding more police and firefighters, balancing budgets without raising taxes, building new parks and resource centers, adding a bookmobile, supporting school choice, I have proven I will put your safety and quality of life first.

My husband and I have two rescue pets and have lived in Orange County for 29 years.

I humbly ask for your vote.
