

**DOUG CHAFFEE**

Mayor, City of Fullerton

Orange County is a fabulous place to live, work, and play, My mother was born in Anaheim and my father in Garden Grove. They met and fell in love at Fullerton College. My wife and I and children are graduates of Fullerton's great public schools. I have a degree in economics and practiced law in Fullerton for more than 40 years.

I'm committed to improving quality of life for all residents. Public safety, education, health care, senior services, infrastructure improvements, water shortage, homelessness and fiscal responsibility are problems facing Orange County I dealt with as Mayor of Fullerton. i want to take my experience and skills as an elected official to help the County solve these problems and make Orange County an even better place to live, work and play. I want to be sure we have clean air, water and open space for all to enjoy.

I have worked hard and accomplished much. Now I want to work for the people of Anaheim, Brea, Buena Park, Fullerton, La Habra and Placentia as your Fourth District Supervisor. I'd be honored to have your vote. Together we will make sure Orange County is a truly fabulous place to live, work and play.
