

BRETT MURDOCK**Victims' Rights Attorney**

The Democratic Party of Orange County Chairwoman Fran Sdao and Democratic Clubs throughout Orange County have endorsed my candidacy.

I served as Mayor and Councilmember of the City of Brea and was an adjunct professor of American government at Cal State Fullerton.

I am an Orange County native and married with two young children.

I have dedicated my legal career to fighting for the rights of victims of sexual harassment, discrimination, and financial wrongdoings.

As your District Attorney, I will aggressively prosecute crimes of financial and physical abuse committed against the elderly, confront the epidemic of opioid addiction, and lead a zero-tolerance policy towards gang violence and hate crimes.

I will work with local police departments to prevent crime and address homelessness by expanding restorative justice programs for individuals suffering from drug addiction and mental illness. I will eliminate political corruption.

I will fight to increase transparency, accountability, and trust within the DA's office.

Serving justice first, applying the laws equally to all people, and earning the trust of every community in Orange County must be our highest priorities.

On June 5th, Vote Brett Murdock for Orange County District Attorney.
