

**SANTA ANA UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER**

**NAME: CECILIA "CECI" IGLESIAS**

**OCCUPATION:** Santa Ana Businesswoman/Parent

My family and I immigrated to the United States and to Santa Ana three decades ago. I'm a proud product of the Santa Ana Unified School District and earned degrees at Santa Ana College and Cal State Fullerton. My child attends Santa Ana Unified schools.

I've served our community helping people obtain Medi-Cal, childcare, CalWorks, and In Home Support Services.

I've taught students English and math. I'm certified in American Sign Language, and I've proudly taught deaf students.

As your next School Boardmember, I will:

- Provide high-quality schools for all Santa Ana students.
- Ensure all students are prepared for college or the workforce.
- Keep violent criminals away from our children.
- Spend money directly in classrooms benefiting our students - not bureaucrats.
- Support partnerships between teachers and parents
- Ensure every Santa Ana student learns how to read, write, and speak English.
- Protect your taxpayer dollars.
- Improve test scores.

My experience has earned me the endorsements of:

- Orange County Board of Education Trustees Robert Hammond and Dr. Ken Williams
- Rancho Santiago Community College District President Phil Yarbrough
- School District Boardmembers Rick Ledesma, John Ortega, and John Vargas
