CITY OF YORBA LINDA**

ORDINANCE NO. 2011-962

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF YORBA LINDA
ADOPTING THE YORBA LINDA TOWN CENTER SPECIFIC PLAN AND AN
AMENDMENT TO THE CITY OF YORBA LINDA ZONING MAP FOR THE
IMPLEMENTATION THEREOF**

WHEREAS, the City of Yorba Linda (the "City") is a duly organized California municipal corporation; and

WHEREAS, the Yorba Linda Redevelopment Agency (the "Agency") is a public body, corporate and politic, organized and existing under the California Community Redevelopment Law (Health & Safety Code Section 33000 *et seq.*) ("CRL"); and

WHEREAS, for many years the City and the Agency desired to create a vibrant, pedestrian friendly town center; and

WHEREAS, on March 21, 2006, at the onset of the specific plan process, a Blue Ribbon Committee ("BRC") was formed to establish a set of goals and objectives to provide direction for the development of the town center; and

WHEREAS, the BRC provided its Final Report to the City Council, dated November 26, 2007, which outlined a vision statement and policy direction in the form of guiding principles created by the BRC. These guiding principals were broken down into nine "Priority Topics," which provided a framework for potential land uses that may be included in a redeveloped town center. The nine Priority Topics included Context, Public Open Space, Entertainment, Circulation, Parking, Housing, Restaurants, Retail, and Cultural Arts. Findings and Recommendations were developed by the BRC for each of the nine Priority Topics. The BRC's Recommendations for each Priority Topic identified a Specific Plan as the appropriate planning tool for taking the guiding principles to the next decision-making level; and

WHEREAS, on April 21, 2009, the City Council authorized a professional services contract with RRM Design Group for preparation for the Yorba Linda Town Center Specific Plan ("YLTC Specific Plan") and supporting environmental compliance documentation; and

WHEREAS, the City held seven public study sessions and community workshops to gather public input and guide development of the YLTC Specific Plan between June 9, 2009, and February 9, 2010; and

WHEREAS, on November 16, 2010, the City Council reviewed an analysis of the YLTC Specific Plan's conformance with the Yorba Linda Right-to-Vote Amendment, Yorba Linda Municipal Code Section 18.01.010 *et seq.* (also known as "Measure B") and based on the analysis presented, the City Council determined that the YLTC Specific Plan does not constitute a Major Amendment to a Planning Policy Document under Measure B, and therefore no vote of the electorate would be required under Measure B for adoption of the YLTC Specific Plan; and

WHEREAS, the City, for purposes of the California Environmental Quality Act, Public Resources Code Section 21000 *et seq.* ("CEQA"), is the lead agency that must review and determine whether the YLTC Specific Plan may have any significant impacts on the environment, as analyzed pursuant to CEQA; and

WHEREAS, the City prepared the Draft Program Environmental Impact Report ("Draft EIR"), State Clearinghouse No. 2010021064, for the YLTC Specific Plan pursuant to CEQA and the Guidelines for Implementation of CEQA, Title 14, California Code of Regulations Section 15000 *et seq.* ("CEQA Guidelines"); and

WHEREAS, the Draft EIR was then circulated for a 60-day public review period, as required by state law, between December 3, 2010, and January 31, 2011. The Notice of Availability ("NOA")/Notice of Completion ("NOC") of the Draft EIR was published in the Yorba Linda Star, and posted on the City of Yorba Linda website. In addition, the NOA/NOC was posted with the Orange County Clerk; and

WHEREAS, written comments were received from the public and other public agencies during the 60 day public review period; and

WHEREAS, such comments and testimony were responded to through a Draft Response to Comments document as part of the preliminary Final EIR; and

WHEREAS, on January 26 and March 9, 2011, a public hearing pertaining to the YLTC Specific Plan was held by the Planning Commission of the City of Yorba Linda ("Planning Commission"), at which public meetings the Planning Commission reviewed and considered the Draft EIR and Draft Responses to Comments to the Draft EIR; and

WHEREAS, on March 9, 2011, the Planning Commission recommended that the Yorba Linda City Council ("City Council") approve the Draft EIR and Draft Responses to Comments as complete and adequate, and at the same public meeting, the Planning Commission recommended that the City Council approve the YLTC Specific Plan; and

WHEREAS, notice of a public hearing before the City Council concerning the YLTC Specific Plan and Final EIR, and the recommendations of the Planning Commission related thereto, was given in accordance with the City's policy on noticing property owners within a 2,000 foot radius of the boundaries of the Specific Plan area (Yorba Linda Municipal Code Section 18.36.700.E.1) for projects of community-wide significance; and

WHEREAS, notice of a public hearing before the City Council concerning the YLTC Specific Plan and Final EIR, and the recommendations of the Planning Commission related thereto, also was given in accordance with the special noticing requirements of the Yorba Linda Right-to-Vote Amendment (Municipal Code Section 18.01.040.C and D); and

WHEREAS, a copy of the Final EIR has been provided to members of the City Council and a copy of the Final EIR is available for public viewing at the City Clerk's office at 4845 Casa Loma Avenue, Yorba Linda, California; and

WHEREAS, on April 26, 2011, the City Council held a duly noticed public hearing to receive public testimony regarding the Final EIR and the YLTC Specific Plan, and at the conclusion of the public hearing, the City Council instructed City staff to prepare adopting ordinances and resolutions for the YLTC Specific Plan and Certification of the Final EIR; and

WHEREAS, the City Council has independently reviewed and considered all of the information and documentation comprising the YLTC Specific Plan; and

WHEREAS, after consideration of the staff reports and all information, testimony, and evidence presented at the public hearing, the City Council finds and determines as follows:

1. Adoption of the Yorba Linda Town Center Specific Plan is consistent with the intent of the Blue Ribbon Committee's Final Report, dated November 26, 2007, in that 1) it provides a regulatory framework for land use and development within the Town Center which is reflective of the Blue Ribbon Committee's vision statement as follows: "The Town Center should be a family-oriented place that is respectful of our history, where people go to eat, shop, walk, gather, play, and be entertained and informed. There should be safe and adequate parking to support the activities[.]" and 2) it is consistent with the nine Priority Topics contained in the Findings and Recommendations of the BRC's Final Report including Context, Public Open Space, Entertainment, Circulation, Parking, Housing, Restaurants, Retail and Cultural Arts.

2. The Yorba Linda Town Center Specific Plan represents a change of zone and modifies the current zoning designations of property within the

Town Center Specific Plan area to "Town Center Specific Plan," without necessity to modify the underlying General Plan Land Use Designations of the property (i.e., Community Core Area Plan and Medium Density Residential). The project is consistent, therefore, with the General Plan Land Use Designation and all other elements of the General Plan. As provided for in the Yorba Linda Town Center Specific Plan, Multi-Family Residential District Development Standards, upon potential future approval of the 2008-2014 Housing Element and associated Implementation Programs, including the approval of necessary Zone Changes and General Plan Amendments for Housing Element Sites that are located within the Town Center Specific Plan area (i.e., "Altrudy Lane" and "Lakeview Strawberry Fields" sites), and including affirmative vote of the electorate of Yorba Linda pursuant to the Yorba Linda Right-to-Vote Amendment, the allowable density on the "Altrudy Lane" and "Lakeview Strawberry Fields" sites may increase from the current "default" Tier 1 density of 3 du/ac and 10 du/ac, respectively, to the Tier 2 density of 20 du/ac.

3. The City Council has independently reviewed and considered all of the information and environmental documentation comprising the Yorba Linda Town Center Specific Plan Final EIR and has found that the Final EIR adequately considers all of the environmental impacts of the YLTC Specific Plan, a reasonable range of feasible alternatives to the YLTC Specific Plan, and mitigation measures that will reduce the YLTC Specific Plan's impacts on the environment, and fully complies with all requirements of CEQA and the State CEQA Guidelines, and asserts that the findings of said Yorba Linda Town Center Specific Plan Final EIR have been taken into consideration in approving the Yorba Linda Town Center Specific Plan.

4. Adoption of the Yorba Linda Town Center Specific Plan amends the Zoning Map of the City of Yorba Linda and, therefore, pursuant to Section 18.01.020.A.4 of the Yorba Linda Municipal Code, this action constitutes an amendment to a Land Use Planning Policy Document. However, this action does not result in a change to the development standards for any parcel of land within the Yorba Linda Town Center Specific Plan boundaries that would render such action as a "Major Amendment" based on any of the seven criteria that define a "Major Amendment" pursuant to Section 18.01.030.A of the Yorba Linda Municipal Code. Consequently, this action to adopt and approve the Yorba Linda Town Center Specific Plan is not subject to voter approval as a prerequisite to taking effect.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF YORBA LINDA DOES ORDAIN AS FOLLOWS:

SECTION 1: The foregoing Recitals are true and are based on substantial evidence in the record and are incorporated herein by this reference.

SECTION 2: The City Council accepts the recommendation of the Planning Commission to adopt the Yorba Linda Town Center Specific Plan and corresponding amendment to the Yorba Linda Zoning Map.

SECTION 3. The City Council hereby adopts the Yorba Linda Town Center Specific Plan, on file with the Community Development Department and in the form presented to the City Council at the time of the adoption of this Ordinance, and the City Council hereby ratifies and approves any and all actions taken by the staff, departments, and commissions of the City prior to the adoption of this Ordinance for the preparation, review, and consideration of the Yorba Linda Town Center Specific Plan.

SECTION 4. The City Council hereby amends the Yorba Linda Zoning Map, as an implementing action with the adoption of the Yorba Linda Town Center Specific Plan, for the redesignation of the approximate thirty-one acres of property within the boundaries of the Town Center Specific Plan Area, as shown on page 1-2 of the Yorba Linda Town Center Specific Plan, from CG-TC (Commercial General with Town Center Combining), CG (Commercial General) and RS (Residential Suburban), to the "Town Center Specific Plan" zone.

SECTION 5: If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the Ordinance. The City Council hereby declares that it would have adopted this Ordinance, and each section, subsection, subdivision, sentence, clause, phrase, or portion thereof, irrespective of the fact that any one or more sections, subsections, subdivisions, sentences, clauses, phrases or portions might subsequently be declared invalid or unconstitutional.

SECTION 6. This Ordinance shall take effect thirty (30) days after its adoption. The City Clerk shall certify to the adoption of this Ordinance and shall cause this Ordinance or a summary thereof to be published in the manner required by law.

PASSED, APPROVED AND ADOPTED at a regular meeting of the City Council of the City of Yorba Linda on this 7th day of June, 2011.
