

**LYLE J. ROBERTSON
JUDGE OF THE SUPERIOR COURT
OFFICE NO. 4**

I have been your Superior Court Commissioner for 15 years, presiding over thousands of trials. I've taught law and trained new judges. I work hard, dispensing justice with a firm yet fair hand. With extensive judicial experience and a proven record of public service, I believe I am well qualified.

My judicial philosophy is to follow the law, not make it. I'll enforce the death penalty and 3-strikes, locking up criminals and sexual predators. Dedicated to serving people and committed to public safety, I'll uphold victim's rights and protect the innocent. Having been Presiding Commissioner, I'll be a tough but fair judge.

Supervising Judge Mahler and retiring Judge Gallivan - who has served in Office #4 with honor - endorse me. So do many other judges, attorneys, and police.

I'm endorsed by Orange County Congressmen Calvert, Campbell, Royce and Rohrabacher, Supervisors Norby, Silva, and Wilson, Treasurer Moorlach, State Senate and Assembly Members, and dozens of local officials.

I'm proud to be endorsed by the California Women's Leadership Association.

Raised in Laguna Beach, I'm married, active in my community and church. I have common sense and good judgment. I promise to serve with integrity and respect.

I'd be honored with your vote.
